### < Production >

- Domestic production increased year-on-year led by strong sales in North America.
- Overseas production decreased year-on-year due to preparations for the production launch of the all-new Legacy and Outback models.

### < Japan Sales >

- Passenger vehicle sales decreased year-on-year as the Forester and other model sales declined.
- Mini vehicle sales decreased year-on-year due to a drop in the Stella and other minicar sales.

### < Exports >

- Exports from Japan increased year-on-year led by strong demand for the Impreza series and the Forester in North America.
