Subaru Corporation

Temporary Suspension of Production at Subaru's Manufacturing Facilities in Japan

Subaru Corporation will temporarily suspend production at its automobile manufacturing facilities in Japan due to interruptions in the supply of certain parts that use semiconductors.

Operations at the following plants in the Gunma Manufacturing Plant will be temporarily suspended:

- Automobile plants: Main Plant and Yajima Plant
- Engine and transmission plant: Oizumi Plant

Dates:

February 18

February 21

(Two working days)

We apologize for any inconvenience this may cause to our customers and all other stakeholders.
