

**Subaru debuts two new concept cars at Tokyo Auto Salon**

Tokyo, January 14, 2022 – Subaru Corporation and its motorsport subsidiary, Subaru Tecnica International Inc. (STI), have revealed two electric concept models, the STI E-RA CONCEPT and SOLTERRA STI CONCEPT, at the Tokyo Auto Salon 2022 held from January 14 to 16 at the Makuhari Messe convention center.

STI E-RA CONCEPT

SOLTERRA STI CONCEPT

The STI E-RA CONCEPT is a concept model of the STI E-RA electric race car being developed under STI's near-future motorsport study project, the STI E-RA CHALLENGE PROJECT, launched with the aim of gathering experience with new technologies in the world of motorsports for the carbon-neutral era.

The SOLTERRA STI CONCEPT is based on the Solterra all-electric SUV which made its world debut in November 2021. Featuring a roof spoiler, cherry-red under spoilers, and other special parts on its exterior, the model inspires Subaru's superior driving dynamics.
