Tokyo, April 19, 2017 – Subaru Corporation today announced that the Impreza made the Wards 10 Best Interiors list for interior design and styling, and also for its easy-to-use multimedia system.

Published by the respected automotive industry website WardsAuto, the 7th annual competition recognizes outstanding achievement in aesthetics, comfort, ergonomics, materials usage, fit-and-finish and user-friendly electronics. There is no price cap and the nominees consist of interiors that are all-new or have been significantly improved from the prior year. This year, 31 interiors were eligible.
