< Production >

- Domestic production decreased year-on-year, as a decrease in production of the Forester and other models offset an increase in the Impreza and SUBARU XV production.
- While production of the all-new Ascent 3-row SUV started, overseas production decreased year-on-year as the momentum boosted by the redesigned Impreza declined.

< Sales in Japan >

- Passenger vehicle sales decreased year-on-year, as the redesigned Forester and the upgraded Levorg were nearing their launches, and the momentum boosted by the redesigned Impreza and SUBARU XV models declined.
- Mini vehicle sales decreased year-on-year, due to a decline in the Chiffon, Pleo and Sambar sales.

< Exports >

- Exports from Japan decreased year-on-year, due to decreased shipments of the Forester for North America and Australia.
