

FHI Donation for Flood Relief in Northeast Japan

Tokyo, September 25, Tokyo - Fuji Heavy Industries Ltd. (FHI), the manufacturer of Subaru automobiles, today announced a donation of 3 million yen to the Central Community Chest of Japan to support relief efforts in Japan's Kanto and Tohoku regions following the severe flooding caused by Typhoon Etau.

FHI extends its deepest condolences to those affected by the flooding and sincerely wishes for the earliest possible recovery of the stricken areas.
